July 2, 2020

Dear Pueblo's Royal Christian School Families,

I want to begin by thanking you for your continued trust in our school as we navigate this new "normal" of working through COVID-19. I know, our school year ended abruptly, unfortunately not how we intended. I want to inform you that we will be open for summer school for the month of July to help students finish the 2019-2020 academic year strong.

At this time, we will be following the P.I.S.D. 2020-2021 academic calendar. This past week the Texas Education Agency, along with our Governor, announced plans for us to return to school in August and I want to assure you of the steps we are taking as we move forward.

My first assurance to you is our commitment to student and staff safety. Every decision we make as a school will be guided by our commitment to safety. We will create plans that take into consideration all aspects of your child's experience while at school – including entering our buildings, eating lunch, classroom time and movement around our building. It is important to note that our situation is ever evolving and subject to change as our local and state officials address this pandemic.

As of now, we plan to begin the fall semester on Tuesday, August 18, 2020. We are working as quickly as we can to provide you with detailed plans so that you can make an informed decision regarding your intentions for this fall.

On behalf of our administrators, and staff, I look forward to when we are all back in our regular routines and participating in normal school activities. It will look and feel different, with an intense focus on all aspects of student and staff safety. I encourage you to continue praying for our school and for a great upcoming school year.

Stay safe and we look forward to hearing from you,

Josue Peña

P.R.C.S. Principal
